

## Compliance Guidance Documents

The Division has published twelve Compliance Guidance Documents (CGDs) that are designed to provide specific information to assist tank owners in understanding how to comply with aspects of the regulations. The 12 CGDs are published on the Division website and are arranged by topic as shown below. Hold down the control key and click the link (in blue underlined text) and you should be taken to the document on the division website. If that doesn't work, copy and paste the link below in your internet browser window.

1. **CGD 102 - Inventory Control** <http://www.tennessee.gov/environment/ust/guidance/cgd102.pdf>
2. **CGD 103 - Manual Tank Gauging** <http://www.tennessee.gov/environment/ust/guidance/cgd103.pdf>
3. **CGD 104 - Automatic Tank Gauging** <http://www.tennessee.gov/environment/ust/guidance/cgd104.pdf>
4. **CGD 105 - Groundwater Monitoring** <http://www.tennessee.gov/environment/ust/guidance/cgd105.pdf>
5. **CGD 106 - Vapor Monitoring** <http://www.tennessee.gov/environment/ust/guidance/cgd106.pdf>
6. **CGD 107 – SIR** <http://www.tennessee.gov/environment/ust/guidance/cgd107.pdf>
7. **CGD 108 - Interstitial Monitoring** <http://www.tennessee.gov/environment/ust/guidance/cgd108.pdf>
8. **CGD 109 - Corrosion Protection** <http://www.tennessee.gov/environment/ust/guidance/cgd109.pdf>
9. **CGD 110 - Pressurized Piping** <http://www.tennessee.gov/environment/ust/guidance/cgd110.pdf>
10. **CGD 111 - Suction Piping** <http://www.tennessee.gov/environment/ust/guidance/cgd111.pdf>
11. **CGD 112 - Tank and Line Tightness Testing** <http://www.tennessee.gov/environment/ust/guidance/cgd112.pdf>
12. **CGD 113 - Spill and Overfill protection** <http://www.tennessee.gov/environment/ust/guidance/cgd113.pdf>

Compliance Guidance Documents are modified occasionally and visitors are encouraged to visit these pages for the latest published version which will be posted on the Division website.
